

Hydroscand Privacy Policy

The Data Protection Ordinance (GDPR) applies as a law in all EU member states as of May 25, 2018. The regulation will entail some changes for those who process personal data and strengthen the rights of the individual in terms of personal integrity.

Hydroscand Group is committed to protecting integrity. This Privacy Policy explains why we collect personal information and what we do with it, what personal information we collect, for how long we store it and who we may share it with. We encourage you to read the Privacy Policy carefully, as it also specifies the rights you have regarding your personal data.

Use of personal information

We use the personal data to be able to deliver products and services and to provide support accordingly. We need the personal information to send operational information about the products, services, and for fulfilling legal requirements.

We use personal data to market our products and services, and to provide information about new products and services, newsletters and invitations to our events.

We use data that is provided to us with for responding to questions or requests. The information we collect and store is name, company, business related e-mail, phone number and address. If necessary for performance of a contract we collect and store; job title, the content of your message to us and other information you provide us with.

After targeted mailings no information is saved
Delivery address is not regarded as personal data.

Lawfulness of processing

Hydroscand process personal information based on that the processing is necessary for the performance of a contract when Hydroscand provide products and services according to orders or a purchase is made in one of our branches.

Hydroscand process personal information with the purposes of the legitimate interests, based on interest balance when Hydroscand have a legitimate interest in using personal data for statistics and marketing our products and services, ensuring payment and fraud prevention, as well as the supporting of legal obligations in order to comply with applicable laws and other legal requirements.

For marketing purposes, we use personal data based on consent.

Storage limitation:

Hydroscand saves the above-mentioned personal data for persons that represent a business or company with which Hydroscand has a business relationship with and as long as there is a legal obligation to comply with applicable legal requirements, basis for payments, warranty issues and complaints.

Rights to receive information

At any time, a registered person has the right to:

- request a copy of the information that we hold
- correct the data that we hold
- ask for the data we hold to be erased from our records
- ask for restriction of our use of data
- oppose to certain types of processing
- have personal data transferred to another organization

All this is provided free of charge. A registered person can at any time notify Hydroscand that one no longer want to receive information for marketing purpose and can be deleted from Hydroscands system.

Access to information

Information can be shared within the Hydroscand Group. For information about companies in the Hydroscand Group companies, see <https://www.hydroscand.com>.

We never forward, sell or exchange data for marketing purposes to third parties outside of Hydroscand Group.

If you have a complaint about how we use your personal data, you have the right to lodge a complaint with the supervisory authority (in Sweden; Datainspektionen, Box 8114, 104 20 Stockholm).

Hydroscand Group is the responsible controller for the processing of your personal data as described in this Privacy Policy.
